AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions, and listings, of claims in the application:

LISTING OF CLAIMS:

10. (currently amended) A device for fixedly attaching a bolt to a power distribution box for use in an automobile comprising:

a metallic part having a generally U-shape comprising a pair of legs joined by a cross member, said cross member having a hole for accepting the threaded portion of a bolt having a threaded portion and an bolt head portion; and each of said legs of said U-shape metallic part having a length substantially longer than the thickness of said bolt head, further having a plurality of dentations positioned to engage and fixedly attach said metallic part to said power distribution box, and engaging a flat face of said bolt head.

Claims 11 and 12 (canceled).
